DETAILED ACTION

Election/Restrictions

1. Claims 1-12 and 26 are directed to an allowable product. Pursuant to the procedures set forth in MPEP § 821.04(B), claims 13-20, 24, and 25, directed to the process of making or using an allowable product, previously withdrawn from consideration as a result of a restriction requirement, are hereby rejoined and fully examined for patentability under 37 CFR 1.104. Furthermore, claims 22 and 23 have also been rejoined since they depend from allowable claim 1.

Because all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, **the restriction requirement as set forth in the Office action mailed on November 24, 2008 is hereby withdrawn.** In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Allowable Subject Matter

2. Claims 1-20 and 22-26 are allowed.
3. The following is a statement of reasons for the indication of allowable subject matter:

Applicant's arguments filed February 4, 2010 are generally persuasive and the 35 USC 103 rejection over Penth and Ashida is withdrawn. In particular, the arguments on page 3 of the response are persuasive. Furthermore, the nonstatutory double patenting rejections are also withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
